

KIRORIMAL
PUBLIC SCHOOL

“ In our halls of **knowledge, modern infrastructure**
paves the way for academic excellence. ”

www.kirorimalschool.com

Parmod Kumar Jain
Chairman

Kirorimal Public School is a well-known, premier, co-ed school in the region. Our School foundation was laid with an aim to develop students from all strata of society with an underlying motto of "**Vidya Sarva bhushnam**" meaning "**Knowledge is the best ornament**". The holistic development of our students is made possible by dedicated & focused teaching, providing wide options of co-curricular activities and encouraging sports.

Our campus is clean, modern and has been equipped with all facilities for experiential learning for our students. Values such as equality, integrity, kindness, an inquiring mind, co-operation and hard work are practiced in our school. Students are encouraged to explore their interests in education and sports and our excellent results in both areas are testimony of our dedication to the holistic development of our students.

Pratik Jain
Director

The future of our nation rests on our children. Our genuine commitment is to educate and nurture them. Their shoulders may look delicate, but our children have a tremendous amount of persistence and lots of determination. With the right training and education our children will learn skills to enhance their capabilities and secure their future as well as the future of our nation.

Since the purpose of education is not merely to make a child literate, but empowering the child with skills that will groom his personality.

We at Kirorimal Public School, management, and staff diligently work towards making the school a perfect place to learn and grow for our children.

OUR VISION

Discover academic excellence at Kirorimal Public School, where our students consistently achieve outstanding results, with NEP Designed Curriculum and Dedicated Faculty for success.

Our school prides itself on high exam scores, impressive performance in CBSE results, and a commitment to nurturing intellectual growth.

OUR MOTTO

The pursuit of excellence is ingrained in our educational philosophy, resulting in recognition and awards that celebrate both individual and collective achievements. We don't educate, we inspire a passion for learning and empower students to reach their full academic potential.
